

Return to Learn and Continuity of Services Plan

American International Academy
9-21-22 (Title I Parent Meeting)

Purpose of the Plan

- Identify strategies that support safety and wellness for staff and students
- Ensure community input of needs to ensure smooth transition back to in person learning
- Identify Options for families desiring online and face to face learning opportunities
- Provide Detailed guidance on to ensure Covid-19 Protections in the classrooms and common areas of student engagement and learning.

Compliance

American International Academy will comply with any and all local, state, and federal mandates/orders.

- Wayne County Health Department
- Michigan Department of Health and Human Services (MDHHS)
- Centers for Disease Control (CDC)

Direction of the District

Instructional Format

In-person instruction will occur. Students will have the option to take online learning courses as outlined in section 21(f) of the Michigan School Code.

Cleaning and Disinfecting

AIA Schools will continue to follow regular cleaning and disinfection procedures. Additional cleaning and disinfecting procedures may be implemented in classrooms daily to ensure safe disinfecting of common areas.

COVID-19 Testing

Testing will not be required but may be offered to staff and families when cases are suspected. Parent consent will be gathered for any student under age of consent.

Extracurricular and Field Trips

Extracurricular activities and/or field trips may occur as scheduled. Precautions will be taken in the event that there is a concern for safety and awareness of health concerns will be shared.

Options Available

Face Coverings (Masks)

Masks are available for all staff, students, volunteers, and visitors but are not required.

Food Service

The District will continue normal food service operations.

Gathering and Facility Use

No restrictions on gatherings or use of facilities.

However, face coverings and Mask will be made optional for staff and students.

Hand Hygiene and Respiratory Etiquette

Hand Hygiene will be encouraged and Hand Sanitation Stations will be utilized.

Training and information on safety protocol will be provided to staff prior to the start of school and throughout the school year as needed.

Isolation and Quarantine

In-district/out-of-district meetings and conferences will be permitted.

What more can we do.....

Offices

All district offices and buildings will be open for normal school business. Visitors and guests are allowed in buildings per American International Academy policy.

Remote/Virtual Learning

Face-to-face instruction continues to be a priority for all students. The District will do its best to provide resources for students who are unable to attend in person learning due to isolation or quarantine. If a classroom or school is closed, all students impacted by the closure may be provided remote learning opportunities throughout the duration of the closure.

Social Distancing

Social distancing measures are not required. But have been implemented to some extent with these options made available in the classroom with Breakaway furniture.

Safety and Health Precautions

Health Screening

Parents/guardians should conduct a daily student wellness check prior to sending students to school. See the student illness section.

Student Illness

Students exhibiting the following symptoms that are new or may experience a change from baseline health or chronic illness, should remain home or may be excluded from school until the student is symptom-free for 24 hours without the aid of medication or as indicated for their illness. In the event that students report to the school the district will employ A school Nurse to address student medical needs.

Transportation

Normal transportation operations will occur.

Vaccinations

The district is not requiring staff or students to be vaccinated. MMDHD, MDHHS, and CDC recommend COVID-19 vaccination as the leading public health prevention strategy to end the COVID-19 pandemic as well as keep schools, extracurricular activities, and sports safely operational and in person.

Finally...

Safety will remain our priority

We are looking forward to getting back to normal

This must be reviewed every six months
